**Subject:** Blessings Compost - Injunctive Relief

Hi Bryan,

In January, EPA sent the Blessing's Compost facility a Show Cause Letter in response to findings from our EPA inspection. In response to that letter, Blessing's sent to us potential planned facility upgrades, among other information. We have prepared an **Administrative Order on Consent** for the facility, wherein the facility will be required to commit to a schedule/implement those upgrades. Our next step is to send them the draft Order and have a meeting to discuss it.

Thanks,
